ABOUT US

Founded in 1975 by Clarence and Sue Kersemeier, K-tech Kleening Systems still thrives today as a family-owned business after more than three decades of serving central and northern Wisconsin with superior commercial and residential cleaning and restoration solutions. The 100-plus employees that comprise the K-tech team pride themselves on upholding the values of this locally-owned company. An integral part of this value system is giving back to the communities in which it serves. In 2006, the company established K-tech Charities, Inc., a 501(c)(3), to serve as a way to fundraise and provide support to numerous area families and non-profits.

Headquartered in Weston, Wisconsin, K-tech serves customers in central Wisconsin, throughout the Northwood's communities such as Minocqua and Rhinelander, and as far east as Door County and the Fox Valley area. Our multiple offices and 45-plus fleet of vehicles provide us with an extensive reach to outlying rural and metropolitan locations.

To advance our longtime presence as a premier commercial and residential cleaning and restoration provider, we have earned and maintained numerous certifications from global leaders in the restoration and facility management industry.

K-tech holds many certifications, accreditations and awards. Some of these include:

- Restoration Industry Association
- Cleaning Management Institute
- Society of Cleaning & Restoration Technicians
- Wisconsin Safety Council
- National Air Duct Cleaning Association
- Institute of Inspection, Cleaning and Restoration Certification
- Disaster Kleenup International
- Midwest Cleaning and Restoration Association
- Building Service Contractors Association International
- International Sanitary Supply Association
- Cleaning Industry Management Standards-Green Building, with Honors
